

Ideal for beginners and improvers, our Run Happy & Healthy Plan mixes mileage with mindfulness, helping you arrive at the Vitality London 10,000 feeling energised, and happy and healthy in both body and mind!

You can adapt the plan to fit your lifestyle, so be creative and don't be afraid to miss a session if you need to save your energy or channel it elsewhere.

This pdf is interactive, so you can tick off each session once you've done it to help add to that sense of achievement!

We've also included links to podcasts, videos and other useful information from our Vitality London 10,000 partners in the plan – just click on the squares to find out more.
