

Who is TCS?

Tata Consultancy Services (TCS) is a global IT services, consulting, and business solutions company with over 21,000 employees across 30 offices in the UK and Ireland. For more than 45 years TCS has partnered with some of the UK's biggest brands to facilitate their growth and digital transformation journeys, doing everything **from delivering cloud migration and security, using AI to improve customer service, to implementing machine learning to manage risk**. We partner with some of the UK's most iconic companies, including BT, TfL, Virgin Atlantic, Nationwide and M&S.
