Inspiring children and young people

For the second year, we're holding a one-mile and 2.6K mass participation event for schools the day before the world-famous TCS London Marathon.

The event gives children aged from four to 17 an amazing chance to cross the iconic TCS London Marathon Finish Line on The Mall and receive their

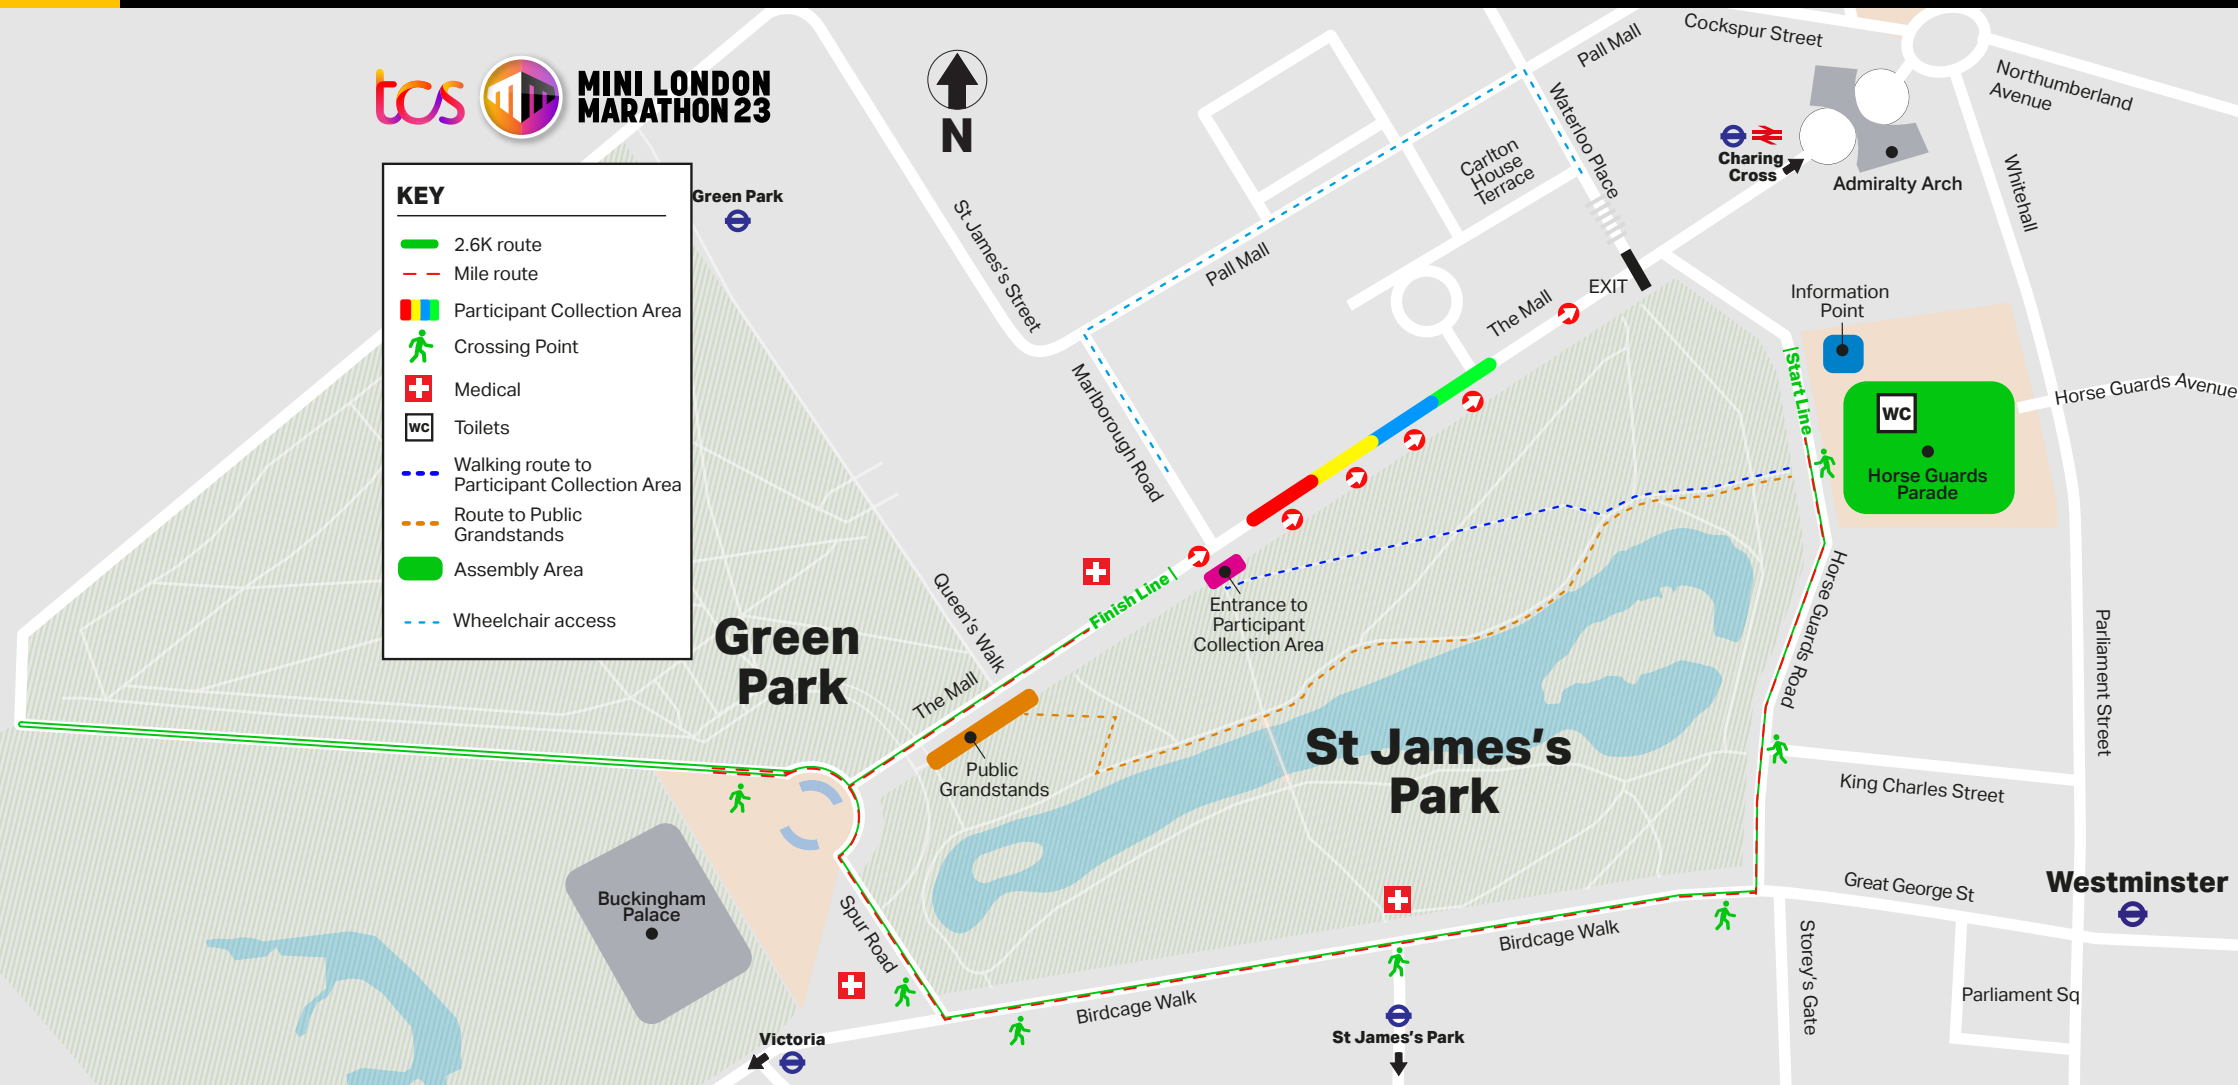

very own medal to treasure.

Not only is it completely free for schools to enter, for every child who finishes our title partner TCS donates £10 to their school.
