

RESIDENTS' INFORMATION:

Greenwich

The 43rd annual edition of the London Marathon takes place on Sunday 23 April 2023 and will require road closures and parking restrictions in your area.

Tens of thousands of participants will take on the 26.2-mile course, which starts at Blackheath and passes through Charlton, Woolwich and Greenwich town centre, before leaving the borough towards Deptford.

This leaflet provides specific access details for Greenwich area residents.

You'll find further information, including a list of Vehicle Crossing Points to help drivers cross the route safely, at tcslondonmarathon.com/road-closures

Road closures

So the 2023 TCS London Marathon can go ahead safely, several roads in Greenwich will

be closed from 07:00 to 15:00 on Sunday 23 April 2023. If you need to leave the area in a vehicle on Sunday 23 April, we recommend doing so before 07:00.

Parking restrictions

Any vehicles parked on the route will be removed from 06:00 on Sunday 23 April. Please assist us by moving your vehicle off the route on the evening of Saturday 22 April. If your vehicle is relocated by event contractors, please visit trace.london to find it.

Vehicle Crossing Point

Drivers will be able to cross the route at a Vehicle Crossing Point on Creek Road before 08:50. The crossing point will then close to allow 2023 TCS London Marathon participants to pass. We anticipate it will reopen at 14:00.

Please see the map over the page for more details.
