RESIDENTS' INFORMATION:

Wapping

The 43rd annual edition of the London Marathon takes place on Sunday 23 April 2023 and will require road closures and parking restrictions in your area.

Tens of thousands of participants will take on the 26.2-mile course, which starts in Greenwich, crosses over Tower Bridge and travels through Wapping, Shadwell and Canary Wharf before finishing on The Mall in Westminster.

This leaflet provides specific access details for Wapping residents. You'll find further information, including a list of Vehicle Crossing Points to help drivers cross the route, at tcslondonmarathon.com/road-closures

Road closures

So the 2023 TCS London Marathon can go ahead safely, The Highway will be closed from 08:00 to 19:00 on Sunday 23 April.

Parking restrictions

Any vehicles parked on the route will start to be removed at 06:00 on Sunday 23 April. Please assist us by moving your vehicle off the route on the evening of Saturday 22 April. If your vehicle is relocated by event contractors, please visit trace.london to find it.

Vehicle Crossing Points

Before 09:30, drivers will be able to cross the route at a Vehicle Crossing Point at the junction of The Highway and Glamis Road, allowing entry and exit north and south.

The crossing point will then close to allow 2023 TCS London Marathon participants to pass. We anticipate it will reopen at 15:30. Please see the map over the page for more details.

Pedestrian subway

Residents travelling on foot are advised to use the pedestrian subway at the junction of The Highway and Glamis Road.
