

BUCKHURST HILL SUNDAY 26 MAY 2024

Ford RideLondon–Essex, the world’s greatest festival of cycling, comes to Buckhurst Hill on Sunday 26 May 2024 and we want to help you plan ahead.

Community Access Plan

To help you plan ahead please see the Community Access Plan for Buckhurst Hill, including vehicle crossing points, over the page.

The 2024 route

The 2024 event will follow the same route as 2023 but with one key change.

Due to an unsafe bridge on Broadmead Road, Woodford, the 2024 route will divert from Grange Hill towards Chigwell and on through Buckhurst Hill before joining High Road, Woodford Green.

Additional vehicle crossing points will be available in Chigwell and Buckhurst Hill to facilitate access and exit for drivers.

More details are available online at ridelondon.co.uk/community-info or by scanning the QR code below.
