Sunday 29 May 2022

Information for residents and businesses

RideLondon, the world's greatest festival of cycling, returns for its eighth edition on Sunday 29 May 2022 with new routes in London and Essex.

So the event can go ahead safely, more than 100 miles of road closures will be in place throughout Sunday 29 May, significantly impacting some areas of Essex and London. Roads in Uttlesford District will also be affected on Saturday 28 May.

This leaflet provides information for residents and businesses in the **Uttlesford District** about how to access your property and make essential journeys during the road closures.

Please read this document in conjunction with the Essex road closure leaflet, which is available at **ridelondon.co.uk/road-closures**. We also encourage you to use the interactive road closure map, available at **ridelondon.co.uk/road-closures/routes#sunday-29-may**

Plan your journeys and deliveries

You will need to plan your travel in advance as there will be significant delays to road journeys. To get around more quickly, please use bus and rail services, or consider walking or cycling for shorter journeys.
