

RETURNS ON SUNDAY 26 MAY 2024

Ford RideLondon–Essex, the world’s greatest festival of cycling, is returning to central and east London and parts of Essex on Sunday 26 May 2024.

Thousands of participants will take part in the iconic cycling challenge, helping to raise millions of pounds for charity.

The 2024 route

The 2024 route is largely the same as previous years, with one key change due to an unsafe bridge in Woodford. Maps of the route are available online.
