

# WAPPING & THE HIGHWAY RESIDENTS' INFORMATION SUNDAY 1 SEPTEMBER 2024

# Road closures from 06:00 to 14:00 on Sunday 1 September 2024

The information in this leaflet is supplementary to The Big Half Road Closure Information booklet. Please make sure you have read the booklet, which is available at **thebighalf.co.uk/road-closures** 

The half marathon event starts at 08:25 by Ensign Street on The Highway. Up to 17,500 participants will head east along The Highway and through the Limehouse Link Tunnel to Canary Wharf.

They will return along The Highway, Garnet Street, Wapping High Street and Thomas More Street before departing Tower Hamlets via East Smithfield and across Tower Bridge. Roads in the Wapping and Shadwell area will close at 06:00 and reopen at 14:00.

Due to the close proximity to the Start Area, residents should also be aware that **Tower Bridge**, **Tower Hill and East Smithfield will be closed from 04:00**, although Dock Street will remain accessible from The Highway and from Royal Mint Street until 08:15.

There are four vehicle crossing points available in this area throughout the event but they will be closed to traffic to allow participants to pass during the times listed over the page.

### **PARKING RESTRICTIONS AND FREE SECURE PARKING**

If you have a vehicle, please move it from the event route on Saturday 31 August. All parking bays on the route will be suspended and vehicle removal will commence from 04:00 on Sunday 1 September.

We're pleased to offer residents of Wapping free, secure parking at – and thanks to – John Orwell Sports Centre on Tench Street. Parking is available from 16:00 on Saturday 31 August to 17:00 Sunday 1 September. Please show proof of your address to event stewards at the sports centre to gain access.
