We are excited to inform you that as a school we have secured places for the **TCS Mini London Marathon** on Saturday 20th April in St.James park London.

[Insert child's name] year group has been chosen to be the representatives at this prestigious event.

What is the TCS Mini London Marathon?

Held the day before the TCS London Marathon in the heart of the capital. It is for children of all ages, backgrounds and abilities from across the UK to take part in a mass children's running event. Crossing the iconic finish line in front of Buckingham Palace.

This is a free event in which all children will receive a finisher medal and raise £10 per finisher for the school. The event as a whole will feature on the BBC. There are two distances within the event (1 mile or 2.6km), we will be taking on the *[insert distance]* distance

Please let us know if you are happy for your child to take part and can organise for them to get there on the day.

Best wishes
